

PHOTOGRAPHIC POLICY / OPT OUT FORM

- HealthKix believes in recognising success of all athletes/clients. Therefore photographic or video material may be produced and uploaded online to promote this success.
- Parents should be aware that photographs and videos may be taken of children for promotional, publicity and coaching purposes and to celebrate success of athletes within HealthKix.
- HealthKix recognises the need to ensure the welfare and safety of all young people.
- HealthKix acknowledges that parents may wish to take photographs of their own children, but asks that parents do not take photographs of other children without their consent and the consent of their parents.
- If parents are unable to consent to their child being photographed or videoed, the club will make all reasonable attempts to exclude the child from photos and videos, but cannot guarantee this.
- HealthKix recognises that it is almost impossible to prevent the taking of photographs and videos with mobile phones and small cameras, but will endeavour to prevent photographs, videos or other images of young people being taken without the consent of the parents and children.
- Where a child is named in an article, their photograph will not be used if this identifies them except in exceptional circumstances and discussed with the parent and the child and specific agreement has been obtained for this.
- HealthKix will store and use photographs in line with the Data Protection Act 2018.
- HealthKix will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform the founder (Elliott) immediately by emailing elliottdsouza@healthkix.co.uk.
- If a child has concerns about images being taken they should report this immediately to their coach/trainer or the founder (Elliott).
- If you would like to prevent photographs and videos of your child being taken by HealthKix, please sign and date this opt out form and return it to info@healthkix.co.uk.

I, (parent/carer) ask that HealthKix do not take photos or videos of my child.
